About Me

An enthusiastic and dependable individual who excels in challenging and competitive environment. I am seeking a position in an esteem organization to boost my career.

Education

- Bachelor of Science in Information Technology**
Govt. College University, Faisalabad
2018 – 2022 3.56 / 4 CGPA
- Intermediate**
Muhammad Ali Jinnah Boys H/S School, Faisalabad
2015 - 2017 803 / 1100
- Matric**
Umair Public Secondary School for Boys, Painsra, Faisalabad
2013 - 2015 823 / 1100

Work Experience

- I have developed clone Pizza Delivery website in React, React-Bootstrap, Express Js and Mongo DB.
- 5 Month of experience of web development in React framework. I have worked on JSX and Axios library.

Academic Project

Citybite is React based web application. It allows customer to search card items. In which customer select items and place orders and supply all necessary details about card items. It is a business project which helped me in learning new technologies like react. Along with that it helped me in dealing with field projects.
